SCHOOL PROGRAM REPORTS/DISCUSSION:

There have been 89 Million Dollars distributed in State Trust Lands money for the year 2021 throughout the state.

Millcreek is offering night school classes after school 3 nights a week. Students can take up to 3 classes per week to make up credit, and this will be available for 3<sup>rd</sup> and 4<sup>th</sup> quarter also.

The school will be having their annual Thanksgiving Luncheon on November 23<sup>rd</sup> at the Hilton Garden Inn at 11:30 for all students and staff. It is a very nice sit-down dinner which some students have never enjoyed. The buses will then take the students back to the school for our awards assembly and handing out sweatshirts to each student.

10<sup>th</sup> grade students will be allowed to be referred to our school beginning in January 2022.

New teachers are Darren Hadley-History & Learning Coach, Liz Wallentine-Student Mentor, Taylor Abel-Excel Mentor
