Based on your data, what will you do to increase student learning in these subgroups?		
→ Students who are identified as economically disadvantaged	Nearly all students at Millcreek fall under this designation. Therefore, we don't differentiate within our student body. All auxiliary	

2021-2022 Millcreek School Improvement Plan

(TSSA, TSI, Title I)

Ensuring High Levels of Learning for Every Student

	programs provided are directed to all students. We also have a food bank to ensure students have food and our community-partnered pantry so they have access to toiletries and clothes.
→ Students with disabilities	Over 30% of our students are classified as Special Ed. We meet once a month with the SpEd team to review students, discuss IEP implementation and review and specific issues that we can help with.
→ Students who are identified as English learners	What are your current WIDA ACCESS growth rates?
→ Students in major racial and ethnic groups	We have a high ethnic population. We continue to provide flex (homeroom) time for them, provide them access to Spanish speaking aide(s) if needed and continue to communicate with home to ensure parental support in educational services.
What Tier 1 changes might help those subgroups and your school's current level of performance? (click here for District Supports)	We continue to use PLUS time (our flex time) to give students additional help, more time on assignments and the time to retake or make-up assessments or any other work necessary.
What additional interventions might help those subgroups?	Time and availability during lunch and after school if necessary. Staff are available and communication is going on with parents to allow students to stay after school and be picked up at a designated time.
**TSI Designated Schools Only: How will your plan address the area that qualifies you as a TSI school?	Which categories qualified you? ___Achievement, ___Growth, ___Growth of Lowest 25%, ___English Learner Progress, ___Post-Secondary Readiness, ___Self-Reported Indicators What Tier 1 practices do you need to target/focus on? What coaching support will teachers need to make those changes? We are designated because of our graduation rate being below 68%. In the last three years, we have made significant changes within our school and have brought in more people to help students be successful. In the last two years, our graduation rate was at 94% and 92% respectively and our goal this coming year is to see if we can raise it even more. This year, we had 5 students not meet graduation requirements and we would like to see if we could get all of them next year.

Step 2: Outline your school's specific, measurable goals for the year
Step 3: Define specific actions your school must make and how you will measure their success
Step 4: Define the funding source and amount

Focus Area 1: Student Learning						
Student Centered PEERS Goal(s)	Success Measure(s)	Action(s)	Evidence	Funding Source(s)	Amount	Completed
Goal #1 - Increase Attendance Goal #2 - Reduce the Amount of Failing Grades https://docs.google.com/document/d/19Cy_8TbwTsPLG9vv6Cl_VtdW-l_E5Hr8m20QP43fv0U/edit COER (Code of Ethics Rewards) Program Goal #3 - Implement our Resilience Program Schoolwide https://docs.google.com/spreadsheets/d/11cOn	Increase our Daily Attendance Rate from around 68% to a goal of 85% or higher	Weekly contact home by TA's SRB's held when necessary Behavior Contracts	Powerschool attendance numbers	None		
	Daily/Weekly Grade Reports (Bo)	Implementation of Resilience Program Use of Kolby and Dale	Reduction of daily Failing Grades	TSSA		
	69 out of 74 (93%) this past year
