SCHOOL PROGRAM REPORTS/DISCUSSION:

On December 21st, 2022 all TA classes did a service project. Some of the projects done were raking up leaves on the school grounds, cleaning windows, picking up garbage at the park across the street, making tied quilts, making folder stories & match games. These items were donated to the Homeless Shelter.

The Faculty Auction took place on December 1<sup>st</sup> where we earned \$2,700.00 for our Secret Santa program. Twenty-four students and 2 babies were chosen by TA's according to need and \$100 were spent on each one.

Night School started again on January 10<sup>th</sup> to be held on Tuesday, Wednesday & Thursday from 2:40 until 4:40.

It has been proposed to spend next year's Trust lands Funds to continue funding a Mental Health Counselor which is needed at Millcreek.

We have CCR's coming up on February 1<sup>st</sup> and 2<sup>nd</sup> for parents to meet with their student's teachers.

The idea of a virtual graduation was discussed for 2023 after being successful the past few years. We have had very good feedback about continuing it this way from parents and students.

The next meeting in March we will vote on the use of Trust lands Funds.
