Millcreek HS will receive approximately \$33,000 next school year from State Trust Lands and Post High's Funding. It was voted on to use the money for Mental Health and help pay for a counselor here on site to provide for our students.

The Positive Behavior Grant has helped pay for activities throughout the year to enforce the idea of positive behavior, kindness to others, and love for yourself.

The ACT test will be offered to all Juniors on March 23, 2023.

We will be having a Career Day where students will be able to rotate to different classes involving different careers that will give them knowledge about each one.

There will a tour offered for Seniors interested in going to Utah Tech University or Dixie Tech College.

Monday, May 22, 2023 will be the filming of graduation for all graduating Seniors. Parents and families will be invited to attend and there will be a reception and photo opportunities after the filming. A link will be provided for all to watch the video and whole graduation after it is edited.
