

MILLCREEK HIGH SCHOOL
COMMUNITY COUNCIL MEETING
MARCH 6, 2024

WELCOME: Jena Nelson, Co-Chairman

INVITED TO ATTEND: Leeanna Fenn, Ian Griffith, MaKall Griffith, Angela Hassell, Jerry Beck, Rusty Holmes, Jena Nelson, Kaye Winters

SCHOOL PROGRAM UPDATES/DISCUSSION:

We will be having a zoom call with the Accreditation Committee on March 7, 2024 for questions and answers about our school. The final review will come later before the end of the school year.

Our school plan was reviewed and the use of State Trust lands money for the upcoming school year. The school plan is for 100% of our ESL students to show growth on their yearly assessment for the 24-25 year from the previous year. Money will be used to pay salaries and benefits for those employees that help with those students throughout the year.

The Alternative Education Conference was held on March 1, 2024 and we had 2 administrators, 2 office staff, and 6 teachers attend.

ACT testing for Juniors, 11th graders will be held on March 20th. It is important they take the test for educational opportunities. No other students will attend that day.

On March 7th the Elks Grand Ruler will visit the school for their annual walk through and to visit classrooms and students. They are a great support to our school.

March 19th will be a field trip for Math and Science students to attend Utah Technical College for a Stem Fest.

There will also be an upcoming tour of Dixie Tech College for any seniors interested.

The 2024 graduation for Millcreek High School will be filmed and celebrated on May 20, 2024.
